The diagram shows a side view of a Gobo Rotator. A circular inset at the top left shows a top-down view of the device. To the right of the main diagram, six arrows point to specific components, each with a label:

- GOBO ROTATOR (points to the top of the device)
- BARREL DEGREE (points to the top of the barrel)
- GOBO (points to the top of the barrel)
- UNIT # (points to the top of the barrel)
- RGB COLOR CHANG (points to the top of the barrel)
- CHANNEL # (points to the top of the barrel)
